

Dixon Area Chamber of Commerce

24 January 2018

Call to order 1831

Quorum present: Ann, Shelly, Renee, and Jen

- 1) Approval of prior meeting minutes- postponed until the next meeting.
- 2) Man in Recovery-Looking for donations for a speaker about drug recovery. Brought to the attention of the chamber by Deseree Robertson. Motion was made that we do not donate and a majority decided that this does not fall under the chamber's mission.
- 3) Yard of the Month- Betty McPherson has volunteered to take over this task.
- 4) Storage Shed- Our storage shed padlock has been cut. Russell's put a new lock on it. This lock is a loaner and needs to be returned to them.
- 5) Bleachers- The bleachers used for Cow Days needs new boards and the brackets need to be welded. Baden's might be able to help. Suggestion was brought up that maybe Mark Raffert at the high school might find this is a suitable task for the kids. Ice Cream Shack- A new one is needed desperately. But, if a new one is not in the budget right now, it does need new tires.
- 6) Halloween- Trick or Treat on the square had a great turn out.
- 7) Miss Merry Christmas- The pageant went well.
- 8) Lighted Christmas Parade- This year, the parade needs to be on the second weekend of December so that it does not interfere with other surrounding activities. There was a good turn out for spectators, but there were not many participants in the parade itself.
- 9) Cow Days- Already getting calls from vendors and bands. Looking into a new Kid's Zone operations. Ann will follow up.
- 10) Beautification- Betty Thilges and Connie Erisman were not present to continue discussing this matter.
- 11) Next Meeting is 20 February 2018
- 12) Annual meeting will be 20 March 2018 and a notice needs to be put in the paper.
- 13) Shelly motions to adjourn the meeting and Ann seconded the motion
- 14) Meeting adjourned at 1926
