Roger Graves  
Vice-President  
Dixon Chamber of Commerce  
Dixon, MO 65459

Dear Mr. Graves,

It has been an honor to work alongside you all on the Dixon Chamber of Commerce. I have learned much about the decision making that goes into contributing to the community. However, I feel that it would be best if I resigned from my position on the Chamber, effective March 12, 2019.

My commitments have become increasingly time consuming and, over the past year, it has been difficult for me to manage many aspects of my personal life. I want you to know that my departure is not directly related to any specific person on the Chamber, but simply due to my need to make my extremely strenuous schedule slightly less demanding.

With my remaining time on the Chamber, I would be happy to assist in the effort of finding a replacement and training said replacement so that they are fully prepared come time of my resignation. Please contact me with any questions or comments in that regard.

Thank you for the opportunity and give my regards to the other members.

Best wishes,
